To Whom It May Concern

This is to certify that 'RK wind mast' has supplied us 5 nos. of 80 mt Lattice met towers along with complete instrumentation in the last one year. They have also undertaken the entire civil and erection work assignments for all the masts. The supplier has completed all the work within the scheduled timelines and the quality of work has been excellent. Our experience with the vendor has been very satisfactory and we have not faced any issued related with quality of work or conduct of the vendor.
