Work completion letter

To whomsoever it may concern.

Garrad Hassan India Pvt Ltd (DNV GL) hired RK Urja Pvt. Ltd to supply, transport and install 2 wind masts and 2 solar masts in Bhutan. The scope of work excluded supply of mast sensors or data loggers (except for anemometers, wind vanes and rain gauges for the solar masts). The masts were installed in Wandgüe Phodrang and Bhumthang regions in Bhutan. RK Urja Pvt. Ltd. successfully completed the installation of the masts and the quality was found satisfactory during the inspection.
